

## Thank you for choosing San Carlos Flight Center!

We understand the demand for aircraft rentals and flight training is high, and being located in the middle of the busy Bay Area, we have high standards for our members and students alike. SCFC will carefully review each application and contact approved submissions via phone or email. Approval decision may come after an initial flight with a CFI.

### Personal Information

**Candidates looking to join as a Renting Member are required to put down a \$500 deposit for their initial checkout and membership fees.**

**Candidates looking to join as a student are required to put down a \$1,000 deposit to cover their initial flight lessons and membership fees.**

In consideration of my membership and of aircraft made available to me by San Carlos Flight Center ("SCFC") under this lease, I agree that on each and all subsequent flights in SCFC aircraft, I shall:

1. Observe and comply with all federal, state, and local air regulations and manufacturers' operational procedures.
2. Provide all required pilot and citizenship documents, and complete TSA approval, if required.
3. Indemnify and hold SCFC harmless from any and all loss, damages, and attorney's fees resulting from operating SCFC aircraft in my possession and control.
4. Pay all bills based upon established and adjusted SCFC rates within ten (10) days of billing date unless SCFC specifically agrees to other arrangements in writing. The Member is responsible for providing any updated method of payment when required or requested.
5. Have read, will comply with, and will be bound by SCFC Member Regulations and their amendments, and the terms of this lease until my membership with SCFC terminates.

I have read and understand all terms of the member agreement listed above. All information I have provided is correct, and if accepted, I understand it is my responsibility to periodically update any information when necessary. I understand that submission of this application does not constitute an acceptance for joining San Carlos Flight Center.
